Objective

Detail-oriented and creative Developer with strong foundational skills in HTML, CSS, JavaScript, and React.js. Passionate about building responsive, user-friendly web applications and eager to contribute to real-world projects in a fast-paced team environment. Seeking an opportunity to apply my skills and grow as a professional while delivering high-quality solutions aligned with business goals.

Projects

🚕 VSR TAXI – Cab Booking Website

Tech Stack: HTML, CSS, JavaScript
Developed a responsive taxi booking website that allows users to select cabs, view estimated fares, and input personal details. Designed a modern user interface and prepared the structure for future backend integration (like OTP verification or live booking system).

✅ Todo List Web App

Tech Stack: HTML, CSS, JavaScript
Created an interactive task management application. Users can add, delete, and mark tasks as complete. Implemented DOM manipulation and `localStorage` for saving tasks between sessions. The project demonstrates proficiency in JavaScript event handling and UI logic.

🌐 Portfolio Website

Tech Stack: HTML, CSS
Designed and developed a personal portfolio website to showcase web development projects and skills. The site is fully responsive, visually clean, and highlights front-end development expertise.
